2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Yes, The Student Mentoring System The student mentoring system is in operation in the institution with the name parent-teacher scheme this parent teacher scheme was introduced in the institution for the Welfare of our student from the academic year 2017-18. The discussion was held in the meeting of IQAC, CDC, heads of different departments and staff with the principal. The scheme was implemented in the institution after proper discussion with all the stakeholders of the teaching learning process that is with the management, CDC, IQAC, teaching staff, HODs of different departments, non-teaching staff, parents, and students. The objectives of the scheme are: • To increase the quality of result of the student • To promote discipline culture among the Student of the institution • To promote the participation of the students in the sports, games, cultural activities • To promote the importance of cleanliness in the campus and Society through student • To promote participation of students in social activities and issues of national interest • To solve the personal and social problems of the students • To solve the job-related problems of the student • To promote overall personality development of the college students • To increase the presence of the student in the college • To motivate the students to participate in the schemes of national interest In this scheme at the very first meeting of the teaching staff of the college with the principal normally in the first week of the July of every academic year all the students were equally divided among the teaching staff. Normally It is seen that the allotted students will be their own Department for example normally English Department students are allotted to English teachers. The philosophy behind the scheme this scheme is that, each teacher will act like a parent of the allotted student. He or she will look after all the problems of their students. At the beginning of the academic year specific form is filled up by the student which covers all the information of the student. The concern teacher is always in touch with his student, took at least four meeting with students. the concern teacher is always available for those students

through phone, mail or Whats App. for the academic year 2018-19 we have 676 students and are divided in 26 teachers of various department. The mentor men-tee ratio was 26. Due to implementation of such innovative scheme in the college we found progress of our students in the entire fields. Thus parent-teacher scheme brought good results as far as the overall development of the college student is concerned.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

At institution level we design continuous internal evaluation system through which we conduct class tests of every class twice in a year. The results were discussed with students. We adopted the methods like group discussion, viva, and question-answer method at class room level. Results were discussed in departmental meetings and if required in the staff meeting with the Principal. The implementation of the system is revised according to the suggestions from Principal, Head of the departments, teachers. The success of the implementation of this system reflects in results of TYBA/BCOM/BSC of our college at University of Mumbai which motivates us to do better in this direction.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

At the starting of every academic year, the planning forum prepares the year plan and academic calendar according to the academic calendar of Mumbai University and institutional level programmes of examination and other activities. Institution implements its activities academics as well as

curricular and co-curricular strictly according to year plan and academic calendar of institution as well as academic calendar of University of Mumbai. Regarding teaching, participation in curricular and co-curricular activities, we follow the year plan accordingly. The administrative staffs of the college are also working according to the time-table and the allotted work. The supervisory staffs look after the smooth conduct of teaching as well as administrative work. If there is any query it will be solved under the guidance of principal of the college. As a result of all these things college produces good results in all the areas. The planning forum is established at the initial stage of the five years tenure which is chaired by Head of the institution. Planning forum prepares year plans, academic calendars by keeping in mind the academic calendar of the University of Mumbai.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

(1) Parent Teacher Scheme for College students We introduce Parent Teacher scheme to all class of our institution from last two years. Actually it was the demand from parents of the students. The scheme becomes helpful in maintaining presentee of the student in class, the discipline of the student in the campus. The scheme play major role in solving academic as well as personal problems of our students. Also it becomes helpful in maintaining healthy atmosphere in the campus. The success of the scheme reflects in the results of the Ty BA/BCOM/BSC of university of Mumbai. To implement this scheme we divide all the students of the institutions equally among the teachers. The teacher keeps the complete record of allotted students. The concerned teacher takes care of his students in all respects. Thus this scheme plays the major role in the academic as well as personality development of our student. We have implemented this scheme due to the demand of the parents. The same demand was discuss in the common staff meeting with Principal. The decision in this regard is kept in the meeting of HOD's. After getting sanction, it is kept for consideration in IQAC meeting. And after getting the sanction is implemented. This is one of the best

practices of the decentralization and participative management. (2) Cleanliness programme by college teachers and students: Sindhudurg district is the only tourism district in India. The economy of the Sindhudurg district is mainly depending upon the tourism. The Vengurla is one of the best tourist destinations in Sindhudurg district where our college is situated. Therefore for the promotion of tourism in the town we need to promote the cleanliness programmes at various tourist places in and around Vengurla. Keeping in this social view our institution decided to participate the cleanliness movement in Vengurla town. From last four years we are organising cleanliness programme mainly after Ganapati festival at different beaches like Sagarashwar beach, Wayangani beach in and around Vengurla town. We are implementing this programme in association with college NSS unit, IQAC, Vengurla Municipal Council and Wayangani Grampanchayat. This type of efforts by our college teachers results in best achievements in the field of cleanliness. Vengurla Municipal Council received award for best Municipal Council in cleanliness in the hands of President of India. Also received two state level awards for best Municipal Council in cleanliness in the hands of Chief Minister of Maharashtra. 7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice-I Wetland Restoration in Sindhudurg ,Vengurla Tehsil : Awareness creation and Documentation of Flora and Fauna associated with Wetlands

Introduction : Sindhudurg district is land of wetlands with unique and rare biodiversity. Wetlands in Konkan nourish thousands of rare plant species. Mangrove estuaries are breeding centre's for marine fauna. Anthropological threats are spoiling richness of these important ecosystems. Under able guidance and motivation of District collector committee is established for documentation of wetlands scientifically and systematically. Status of wetlands was understood with their restoration need and future violations considered. Mangrove cell, Forestry has started constructive projects and training along the coastal area of Konkan. Variety of fishery projects, conservation of Olive Reedley turtles is actively going on in the area. Conservation of Biodiversity along wetlands is prime necessity which needs awareness among localities and raising of green soldiers who understand the vital role of wetlands in underground water table management and biodiversity conservation. Indian council 15A strongly recommend the conservation of wetlands as a prime duty of every Indian. ISRO has recorded 23046 wetlands in Atlas of Wetlands. Sindhudurga has 373 wetlands on record. Ramsar convention is signed by India in 1982. In India 26 Ramsar sites are s and they recorded which have International status and they are source of sustainable eco-tourism. Which can play major role in socio-economic development of rural and urban areas? Vengurle is beautiful port with untouched biodiversity treasure. Br. Balasaheb Khardekar College established in 1961 under Mumbai University Green nature club is consistently working to train a human workforce for nature conservation. Dr. Dhanashree Patil Convener Green nature club is member of Sindhudurg Wetland Committee. 10 wetlands from Vengurle tehasil were studied this year with respect to floral and faunal biodiversity and violations as well as social factors related to wetlands. Students gave lectures in 4 schools to create awareness about wetland conservation. Demonstration of domestic waste recycling was given before Ganapati festival. Department of Botany, Zoology, Rural Development, History and Sociology are consistently involved in studying wetlands and organized water management programs as well as biodiversity conservation awareness activities. By celebrating International wetland day institute invited related organizations to support the conservation activities by creating awareness among local people as well as to encourage activists ,scientists and society through cultural programs and exhibitions . Together we can start a green tradition of wetland day celebration and mangrove conservation on every 2nd Feb. and continue the support to women self-help groups who are really conserving the traditions, nature and culture in sustainable way. Thus best initiative was taken by Botany department to understand Global issue of Wetland restorations and to involve academicians, local communities and government authorities as well as scientists. Objectives : 1. To understand the status of wetlands from Western Ghats 2. To Study and record biodiversity along wetlands and discuss about it's wise use for sustainable development 3. To create awareness about wetland conservation among society through exhibition, cultural activities and field visits. 4. To set skill development projects through workshops for local fisherman communities and eco-tourism promotion through Mangrove safari. 5. To train students in assessing the biodiversity and make them green ambassadors. Context : Green Nature Club enrolls yearly membership of students with objective to create awareness about Nature conservation and sustainable development. Biodiversity in Konkan region is uniquely recorded as hot spot of biodiversity all over World, Human resource development for its assessment is prime need. Involvement of youth and awareness is done regularly through lectures, presentations, rally and workshops. Involvement of students in assessment of biodiversity and

ecological studies was successfully completed this year. The Practice : July :

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The vision of the college states that the institute works for the economically backward, rural and hilly area of Vengurla and its vicinity. Obviously, it works accordingly for the all over development of the students. It has been observed that the students of the college have lots of cultural and physical potential. They have an inborn talent in singing bhajans and performing arts. Many of the students perform in the professional Dashawatar shows. Some students are well in poster making and Rangoli designs. The institute motivates these students to participate in Youth Festivals organized by the university. In order to encourage the students for their physical fitness, every year the Gymkhana Department of the college organizes Br. Khardekar Shri competition for them. Sponsored by Shri. Jagdish Chamankar, this competition is being organized in the memory of Late. Kakasaheb Chamankar since 2002. The said competition is conducted under the guidance of Shri. Kishor Sonsurkar, the instructor of Sateri Gymnasium. The students actively and enthusiastically participate in it. It is significant to note that Br. B. K. College, Vengurla is only college in Sindhudurg District to organize such competition for the students.
