

Report On

Three Month's Online Certificate Course :

"Gardening For Health & Happiness"

Organized by Br. Balasaheb Khardekar College Vengurla. (Department of Botany and dept.of Rural development)

in association with IWSA Kolhapur Branch.

Aim :-

To develop the skills related to Gardening in sustainable way considering benefits for health, happiness, nature conservation and self employment.

Objectives :-

1. To create a green soldier force as a skilled gardeners.
2. To encourage people to consider environment management through gardening skills like waste management, water management and biodiversity conservation.
3. To train youth for development of garden related material for self employment.
4. To build a network all over Maharashtra to understand the importance of gardening for pollution minimization, food security, health management and for happy life.

Introduction :-

Gardening is beautiful way of land beautification, Scientific way of waste management, creative way of vegetable growing, right way of pollution minimization and sustainable way health management and stress management. Covid-19 Pandemic was a challenging phase for World to think about the stressful life, health risks, environment imbalance and economical development. Gradually the life is becoming stress full and health problems are rising due to competition, unnecessary greed as well as pollution. Socio-economical as well as ecological balancing requires network building for environment management as well as happiness index maintenance. Gardening can be the best way for fulfilling this target. World wide many flower shows, nurseries as well as conventions are organized to provide platform for Garden lovers. Gardening has great scope for economical development to youth. India has unique biodiversity and can be best place in the World to provide beautiful plants as well as material like potteries, potting mixture and dry material. Shrinking backyards into terrace and balconies can be challenge to decorate with potted plants as well as Cacti - Succulents and Aquatic plants.

Three month's online course on gardening was best way of connecting expertise, nursery men, artisans, potters as well as researchers to discussed about Gardening for sustainable development and health and happiness.

Committee members names :

Course designing and course Co-ordinator :

Dr.Dhanashree Sagar Patil

Ex-convener IWSA, Kolhapur

About Course :-

Department of Botany in association with Rural Development Department had conducted Online Three Month's Certificate Course on "Gardening For Health and Happiness" Covid-19, Pandemic period from March 18 to June 26. It was being held on Friday and Saturday from 2 to 4 p.m. on Google Meet live with co-operation of Indian Women Scientist Association. The course was a great success and was helpful to people to make the Pandemic stress bearable and easier, as well as motivated about 190 participants on whats app group all over Maharashtra and outside.

Under this course two tests had taken of 50 marks each. Every Sunday tasks provided for the participants by course coordinator Dr. Dhanashree Patil. The participants also completed all the tasks with great enthusiasm. A total of 30 sessions were conducted under the guidance of various experts during the entire course.

Feedbacks From Participants :-

Feeling sad that the course is coming to an end..enjoyed every session, learnt a lot, got information on every aspect of gardening..will miss the friday and Saturday afternoons, which I looked forward to, for last 3 months ..didn't miss a single session..Thankyou Dhanashree madam and team for such a lovely interactive course. Met Deepali our own Innerwheel member through the group.. Looking forward for some more courses from you, as learning is an unending process...

- Pranita Alurkar

I would like to say a big Thank You to Dhanashree Madam for arranging this course. Can't believe 3 months are over. Will miss the sessions of Friday and Saturday. Thank you to all the lecturers who taught us so much and that too from the convenience of our own home. We will definitely apply whatever we have learnt. Thank you again to all the lecturers.

- Medha

A big thank you to Dhanashree ma'am and the other subject matter experts for sharing their years of knowledge in a nutshell. There is no other course on gardening which can equate this. Going to miss it.

- Aniruddha

Dear Dhanashree mam,

I salute you and your team for conducting such and informative gardening class online! You have fulfilled my dream of learning gardening beyond my expectation. Everything was explained in great detail and the notes are so good for follow up, it is my memorable treasure which I will keep on reading lifetime. I thank you all from the bottom of my heart for sharing this knowledge in such an easy way and bringing us closer to nature . Do keep us informed about future programs. Thanks a lot

- Diptee Jhaveri

नमस्कार , ऑनलाईन गार्डनिंग कोर्स ची शेवटची दोन सेशन्स बाकी आहेत . या कोर्स मुळे बागकाम हे केवळ बागकाम नसून खूप सायंटिफीकली आणि टेक्नीकली आरेखन करून करण्याचे एक काम आहे हे कळाले. केवळ झाडे लावणे , फुलझाडे फळझाडे इ. लावणे वाढवणे एवढेच नाही तर हे पर्यावरण म्हणजे काय?, आपली देशी झाडे कोणती?, विदेशी कोणती? शोभेची झाडे, कॅक्टस, बारमाही, सीझनल इ. काय याची माहिती आम्हाला मिळाली. जगात वनस्पती शास्त्रात काय आणि कोठे संशोधन चालते, बोटॅनिकल गार्डनस् यांची माहिती मिळाली. बागेचे आरेखन , पाण्याचे स्रोत व वापर, बागेवर आक्रमण करणाऱ्या किडी किटक यांविषयीची माहिती व त्यांच्याशी नैसर्गिक पध्दतीने कसा लढा द्यायचा हे ही शिकवले. सर्व सेशन्स घेणाऱ्या गुरुंचे मनापासून आभार. सर्वात महत्वाचे म्हणजे आमच्या घरापर्यंत ही ज्ञानगंगा आणून पोहोचविणाऱ्या टेक्नीकल टीमचे अभिनंदन, आणि आभार. आपल्या सारख्या शास्त्रज्ञ गुरुतुल्य व्यक्तिकडून इथुन पुढेही मार्गदर्शन मिळावे . अशा प्रकारचे मालिका सत्र पुढेही चालू रहावे. आम्ही सर्वच जण धनश्री मॅडम व त्यांच्या सर्व टीमचे शतशः आभारी आहोत.

- सुप्रिया अंचरवाडकर

Yes Mam'. I am Capt BN Yadav Retired. I retired from IIT Delhi and now residing on my farm in New Delhi. I am doing lot of gardening and trying new techniques I am learning. Converted my farm of 1.5 acres into organic. I am also trying bio- decomposting , bio- Pesticides etc etc which I was learning from You Tube. Your course is an eye opening and a learning experience which is making me more and more interested. Your course is a boon. Thanks for collecting such a versatile group of teachers.

If time and Covid pandemic permits , I would love to spend some days with you and Deepa Mam and learn gardening hands on. In army I picked up the DIY technique ie 'do it yourself.'

At the age of 67, my desire to learn more and more is making me young, happy and fit.

Have no words to express my gratitude and thanks. ☒

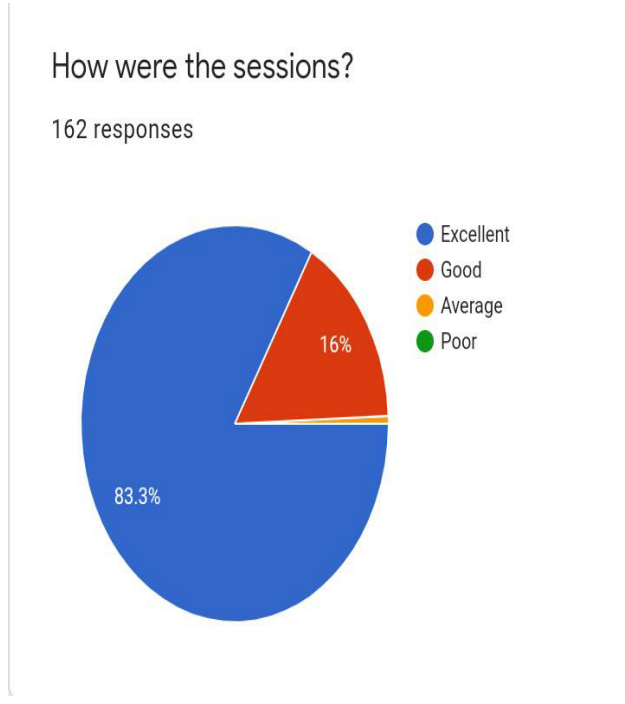

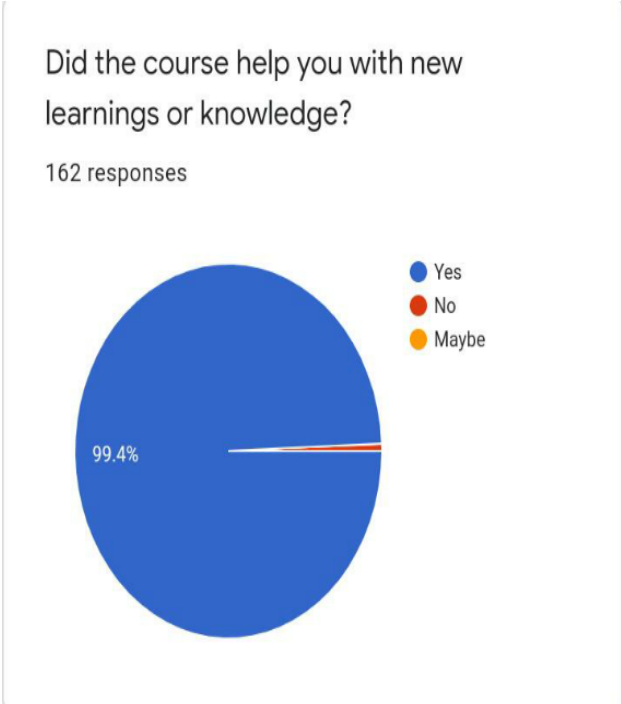

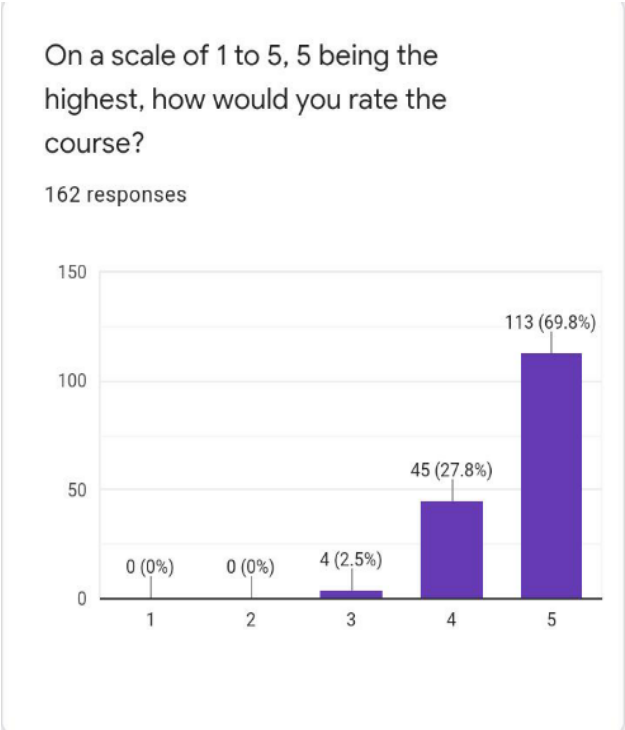

- Capt BN Yadav
