Report of Event “Fascinating Experiments in Physics” (2017-18)

Name of the event	Fascinating Experiments in Physics
Aims and Objectives	To motivate the students to learn Physics.
Date	25.01.2018
Venue	Department of Physics, Br. Balasaheb Khardekar College, Vengurla
Inauguration	Inaugurated by Principal Dr. V. A. Dewoolkar
Organizer	Department of Physics, br. Balasaheb Khardekar College, Vengurla
Resource Person	Prof. Dr. B. D. Chakradeo
Participants	Science Teachers from the Senior and Junior college, Science Students from Senior and Junior College. Near about 50 teachers and 250 students participated and enjoyed the magic of Physics through various experiments throughout the day. Near about 14 different fascinating experiments depending on different principles of Physics were demonstrated in the session.
Achievements	All the Science teachers and students from junior and senior college enjoy the day through this event. We able to create curiosity about the basic science, Physics and its applicability in our day to day life among the students which may results in studying the subject Physics at degree college by the science students in all we made our small efforts in making awareness in the society about the joy of learning Physics at higher level.
