

ZOOLOGY: DEPARTMENTAL ACTIVITIES:

Sr No	Name of the Activity	Particulars of the Activity	Date/Year	Participants
01	Library Visit with FYBSc Students	As Per Guidelines of the NAAC PeerTeam	2015	25
02	S Y B Sc Students	Student Seminar	02.11.2015	13
03	Body Mass Index	Partial Fulfillment of Practical	2015 - II	25
04	Guest Lecture – Sem – IV	Dr. Darshana	13.02.2016	13
05	Visit of Mr. Moise	Cambridge Ph. D. Scholar	19.07.2016	16
06	S Y B Sc Students	Student Seminar	26.07.2016	13
07	Library Visit with FYBSc Students	As Per Guidelines of the NAAC PeerTeam	20.08.2016	29
08	Police Hutatma Din	Chief Guest	21.10.2016	40
09	One Day Workshop	Textbook Distribution	21.12.2016	100
10	Body Mass Index	Partial Fulfillment of Practical	2016 - II	29
11	Nutrition and Health	Pej Yojana (for the students of FY & SY)	2017 - 2018	60
12	Miss. Gauri narvekar - NSeminar	PPT presentation	10.02.2017	05
13	Guest Lecture for SEM IV - Genetics	Dr. Mangesh Jambhale	10.04.2017	12
14	Rescue of Kingfisher	At College Campus	15.06.2017	05
15	Library Visit with FYBSc Students	As Per Guidelines of the NAAC PeerTeam	27.09.2017	41
16	Plantation (One Student One Tree)	For S Y B Sc Students	2017 - 2018	35
17	Donated 25 Books at ZP School, Vengurle.	“Vachan Prerana Din” On the occasion of the daughter’s birthday.	15.10.2017	
18	Mangrove Safari	At Mandovi estuary, Vengurla	21.12.2017	34

19	Body Mass Index	Partial Fulfillment of Practical	2017 - II	41
20	Rescue of Owl	At College Campus	27.04.2018	10
21	Book Distribution Ceremony	At S. K. Patil College, Malvan.	12.06.2018	15
22	Library Visit with FYBSc Students	As Per Guidelines of the NAAC PeerTeam	25.08.2018	21
23	Visit of Dr. Basugde & Dr Pandit	NAAC Preparations	27.09.2018	25
24	One Student is encouraged to participate in Biodiversity Festival and Meet at Amboli	Registration fees worth Rs. 2800 is given to a student to participate in the meet.	13.11.2018	01
25	Visit to Mathematics Day Celebration	At Br. Balasaheb Khardekar College, Vengurla.	22.12.2018	30
26	Excursion at Vayangani, Vengurla	Study of <i>Olive ridley</i>	17.04.2019	35
27	Donated Rs. 5,000/ as Flood ReliefFund	To Jijamata Trust Karad		
28	Library Visit with FYBSc Students	As Per Guidelines of the NAAC PeerTeam	2019	23
29	Miss. Kajal Nikam educationally adopted (11 th Standard)	Expenses for admission fees, Examination Fees are paid for a girl child from the Scheduled Tribe category	June 2019	01
30	Donated Rs. 10,000/ as Flood ReliefFund	To Sangali Zillah Nagar Vachanalay	09.09.2019	
31	Cleanliness Movement	Cleaned Sagarashwar Beach	24.09.2018	50
32	Student Seminar	S Y B Sc Students	02.10.2019	10
33	Donated Sound system with Mike	At ZP School, Vengurle. On the occasion of the daughter's birthday.	15.10.2019	Entire School
34	Science at Primary School/ Science Literacy	At Z P School No. 1 & 4, Vengurle	From 2018 to date	50
35	Excursion at Sawantwadi to visit PG center of Zoology		09.03.2019	15

32	Student Seminar for Sem-III		20.07.2019	09
33	Student Seminar for Sem-IV		02.10.2019	09
34	International Coastal Clean-up Day	At Bagayat Sea shore, Vengurle	21.09.2019	
35	Body Mass Index Project	F Y B Sc – Sem - II	06.02.2020	23
36	Miss Mansi Naik, Student of FYBSc	Examination Fees of Sem – I is paid.	October 2020	01
37	Thermal guns are donation	Z. P. School No.1 & Vengurla High school Vengurla.	27.01.2021	Entire school & High school
38	Mr. Pritish Lad	Educationally adopted for his Post-Graduation Studies (M. Sc)	2020-2022	01
39	Miss. Kajal Nikam educationally adopted (12 th Standard)	Expenses for admission fees, Examination Fees are paid for a girl child from the Scheduled Tribe category	June 2020	01
40	Miss. Kajal Nikam educationally adopted (For FYBA)	Expenses for admission fees, Examination Fees are paid for a girl child from the Scheduled Tribe category	June 2021	01

1. Name of the Event: LIBRARY VISIT

Date: 11/07/2015

Venue: at COLLEGE CENTRAL LIBRARY, VENGURLA, Dist: Sindhudurg.

Name of the Head of the Event: Dr. V. M. Patole

Name of the Speaker: Mr. Sanjay Patil – Library Clerk Mr. Sunil Alwe – Library Attendant

Number of the Participants: All Students of F. Y. B. Sc

Aims & Objectives:

At F Y B Sc level, 12th pass students took admission in this college. The number of students who were not at the 12th standard in this college also took admission in this college. Therefore, newly admitted students, as well as those students who have passed 12th Science from this college, should know the importance of the library and the world of books. Therefore, to get an idea about the reference books, competitive examination books, newspapers, and new arrivals, library rules. Students should visit the college's central library.

Description:

In the first cycle of Assessment, the PEER team suggested that every year at the beginning of the new academic year the students of the F Y B Sc should be oriented with the college's central library. Because a number of the students of the first year are not from our institute. Some of the students came from other colleges.

With the permission of Principal Dr. V. A. Dewoolkar every year I visit the central college Library. In Library Mr. Sanjay Patil and Mr. Sunil Alwe explain in detail the library.

Desired Outcomes:

All students get an idea about the reference books, competitive examination books, newspapers, new arrivals, and library rules students should be visit the college central library.

2. Name of the Event: Student Seminar

Date: 02.11.2015

Venue: At the Zoology Laboratory

Name of the Head of the Event: Dr. V. M. Patole

Name of the Students: Miss. Shradha Tendulkar, Miss. Atnur, Miss. Bhakti, Miss. Tanvi Naik & Mr. Bhiva Sawant

Aims & Objectives:

1. By learning about new topics and meeting leaders in their field student feels encouraged and motivated.
2. Listening to any prominent personality in any seminar or workshop helps the student to gain information about their way of work or how things take place.

Desired Outcomes:

1. Attending a seminar has numerous benefits, including improving communication skills,
2. Gaining expert knowledge,
3. Networking with others and
4. Renewing motivation and confidence.

Description:

All students were informed by oral discussion during the regular practical. Students were given choice to select the topic from Courses V, VII & VIII with Course Codes USZO301, USZO302 & USZO303. After selection of the topic, discussion with every student regarding his/her topic were carried out.

All the students were so excited about their experience regarding their seminar.

03. Name of the Event: Body Mass Index Project

Date: 13.02.2016

Venue: At College Campus

Name of the Head of the Event: Dr. V. M. Patole

Participants: All the students of F Y B Sc.

Objectives:

1. To get the knowledge about the proper nutrition.
2. To get the knowledge about the proportion of weight and height amongst the learners.

Description:

As per the guidelines of Board of studies in Zoology for Sem- II a project regarding the Body Mass Index is mandatory. Every student has to take the readings regarding the height and weight of the students of the college. All students are grouped into four groups. Every group is asked to take the reading of at least 50 students from the senior wing of this college. Every student is provided a chart regarding the different criteria required for this project. All students collect the data and analyze it.

Desired Outcomes:

After calculating the BMI by the formula student classify them in various parameters like, Normal weight, Overweight, obesity, anemic etc. Students become alert regarding their food habits.

04. Name of the Event: Guest Lecture of Dr. Darshana Korgaonkar **Date: 13.02.2016**

Venue: at the Department of Zoology

Aims and Objectives:

1. To study the structural and functional organization of cells with an emphasis on the nucleus, plasma membrane and cytoskeleton.
2. Dr. Darshana Korgaonkar is a former student of this college and presently working as Asst. Professor in Zoology at UG and PG level at Shri. Pancham Khemraj Mahavidyalaya, Sawantwadi.

Participants: All Students of SY B Sc

Description:

Dr. Darshana Korgaonkar was invited to deliver his talk on the chapter on Cell biology. He has completed the entire unit. All the students were satisfied with his lecture.

Outcomes:

Learners acquire insight into transport mechanisms for the maintenance and composition of cells.

5. Name of the Event: Visit of Mr. Moise – Cambridge University Ph. D. Scholar

Date: 19/07/2016

Description:

Mr. Moise, a Ph. D. Scholar from Cambridge University visited the Library of this institute. He is from Belgium. At Cambridge University he was doing his doctoral-level research on "Sanskrit". At Cambridge University he got the information that the Central of this institute is having some "Sanskrit Manuscripts on Bhagavadgita". These manuscripts are written by one of the founder members of Management the Shikshan Prasarak Mandal, Kolhapur's Late Principal, M. R. Desai Sir. He stayed at Vengurla for three days and he collects references regarding his doctoral-level research in Sanskrit. Meantime he visited the science faculty to interact with teachers and students of the Department of Zoology. Those three days were memorable for all of us.

9. Name of the Event: ONE-DAY WORKSHOP CUM TEXTBOOK DISTRIBUTION

Chair Person: Vinayak Dalvie, Former Personal Secretary to the Government of Maharashtra, **Prof. Dr. S. G. Nanware**, Former Head of the Department of Zoology of Shivaji University, Kolhapur,

Dr. Manjir More, Administrative Officer, Shikshan Prasarak Mandal, Kolhapur, Principal

Principal Dr. Dilip Bharmal – Chairman of Board of Studies in Zoology

Dr. Sharad Mahajan -Vice-Principal, Captain Dr. Nilima Prabhu, Captain Dr. Akbar Dalvi

Mrs. Sukanya Narsule, Former Member of Zillha Parishad Sindhudurg.

Participants: 6 (Six) different Colleges from Sindhudurg district colleges with faculties and students have participated in this program.

Aims and Objectives:

1. Board of studies in Zoology of the University of Mumbai has prepared the study material and Practical journal for the students. This material was printed by the press of the University of Mumbai and each textbook and practical journal were published with the ISSN number.
2. Zoology faculty of the University of Mumbai got an opportunity to become an author.
3. To felicitate first lady author Mrs. Dr. Jamhale and to distribute the textbooks and practical journals to the faculty of various colleges in Sindhudurg district.

Description:

The University of Mumbai has published 18 Textbooks in Zoology so far. This year seven new publications and Three Second Edition will be added. This innovative endeavor has fetched a **half Crore** revenue for the University.

This pioneering effort of publishing Textbooks is aiming to follow the road map of **Oxford**

University.

Prof. Vinayak Dalvie, Former Joint Secretary to H. E. the Government of Maharashtra has authored a book and for the first time Mrs. Dr. Jambhale, Head and Assistant Professor in Zoology of Shri. S. H. Kelkar College of Deogad C has authored a book which we wish to release at your auspicious hands-on 21st December 2016.

On the same occasion distribution of **Semester – II and Semester – IV** Textbooks of the University of Mumbai was done at Br. Balasaheb Khardekar College, Vengurla for the students studying in all the colleges in the Sindhudurg district.

10. Name of the Event: PEJ YOJANA SCHEME (NUTRITION AND HEALTH)

Venue: at the Science wing of Br. Balasaheb Khardekar College, Vengurla.

Name of the Host: Dr. V. M. Patole

Number of Beneficiaries: Entire batch of F. Y. B. Sc, Faculty and Staff

Aims and Objectives:

1. To create awareness amongst the students regarding the nutrition
2. "PEJ" is the local breakfast in the Konkan region, which is practiced by more than 80% of the native people.
3. As it is highly nutritious and prepared by the local method.
4. Beneficiaries would be known the importance of early morning breakfast/per.

Description:

The students from the Zoology department are belonging from rural areas. They have to leave their home early in the morning for the ST bus. During this, they skip their breakfast. During the short recess most of the time they go the junk foods or oily foods.

14. Name of the Event: Rescue of Oriental Dwarf Kingfisher

Date: 15.06.2017

Venue: At the Department of Zoology.

Name of the Head of the Event: Dr. V. M. Patole

Aims & Objectives:

To save any animal is an important component of the respective ecosystem.

Description:

On the morning of 15th June, one of my students told me that a young one of Kingfisher is injured at the premises of Physics laboratory. When I saw that young one I saw that literally it was quiet. He was unable to fly. Therefore, as a first-aid I gave him Glucon D powder solution by syringe. Meanwhile, I was trying to contact Veterinary Doctor regarding the cause and remedy. After half and hour drinking Glucon D powder solution at interval he became energized and fly safely. Later on I came to nown that that Kingfisher was the Oriental Dwarf Kingfisher.

16. Name of the Event: ONE STUDENT ONE TREE PROJECT

Date: 06.07.2017

Venue: at Br. Balasaheb Khardekar College Campus (In front of the Physics Department)

Aims and Objectives:

1. To create awareness about plantation among the students
2. To decrease global warming.

Participants: All Students of SY B Sc and Faculty with Principal Dr. V. A. Dewoolkar

Description:

Day by global warming creates problems for the entire environment and mankind. To get rid of this global warming there are the number of solutions. Out of which I focused on Plantation. For the academic year, I put the theme **ONE STUDENT ONE TREE PROJECT** for the students of S Y B Sc.

Outcomes:

Total 15 Beetle plants were planted. After 5-7 years these plants will generate some amount of revenue to the college. Every student has planned to plant at least one tree around their house.

17. Name of the Event: DONATION OF 25 BOOKS AT Z P SCHOOL NO. 1, VENGURLA.

Date: 15/10/ 2017

Venue: at Z P School No. 1, Vengurla.

Aims and Objectives:

1. To create awareness regarding the reading.
2. To create awareness regarding the reading of science books, especially how scientists worked for their inventions and discoveries.

Participants: All Primary Teachers, students, and school committee members of Z. P. School No. 1

Description:

On the occasion of the birthday of my daughter, I was distributing some chocolate, etc. in her primary school. But this year Headmistress Mrs. Patil madam asked me to donate something, which will be useful not only for her class but would be useful for the entire primary school. Therefore, I donated 25 books about some scientists and their inventions.

Outcomes:

Students of primary school after reading those books will become curious about the scientific facts, scientists, and their inventions.

18. Name of the Event: FIELD VISIT

Date: 04.03.2017

Venue: at Mansishwar Visit, Dist: Sindhudurg.

Aims and Objectives:

1. To orient the learners about biodiversity.
2. To orient the student about mangrove diversity.
3. To create awareness among the students about mangrove conservation.
4. To study the macrobenthic fauna, avian fauna, etc.

Participants: All Students of FY & SY B Sc

Description:

The Board of studies in Zoology of the University of Mumbai has recommended at least a Field visit for the students of course Zoology. As per the guidelines of BoS in Zoology, field visit was organized on 04 March 2017 at Mansishwar Estuary of Vengurla, Dist. Sindhudurg. All students of FY and SY B. Sc participated.

Outcomes:

Nowadays we are going through such an era where we can see the effects of global warming. Every year we are facing problems to fulfill our basic needs such as pure air noncontaminated water, non-contaminated food, etc. The people of the seashore are facing the problem of drinking water during the pre-monsoon season. In earlier days this area was full of mangroves. But in the last 20 years due to excessive cutting of mangroves to fulfill daily needs people are facing the problem of drinking water. The population of *Acanthus illisopholis* is increasing rapidly. As this species bad pollution indicator.

21. Name of the Event: Owl Rescued:

Date: 27.04.2018

Venue: at the Department of Zoology.

Name of the Head of the Event: Dr. V. M. Patole

Aims & Objectives:

To save any animal as each and every animal is important component of the respective ecosystem.

Description:

On the morning of 27th April, somebody told me that an Owl is trapped at the nylon net which is used in Cricket practice at college ground. With the help of the Physical Director, Prof. J. Y. Naik and peon visited the place where that owl was trapped. Perhaps during night by accidentally he came there and get trapped. While escaping the Nylon threads were rounded around his neck. We slowly remove the Nylon nets. We saw that it is injured in the neck region. So first upon we bring the Owl in the laboratory where we cleaned that wound with Dettol and gave him Glucon D powder solution by syringe. After some time, he was cured.

24. Name of the Event: Visit of Dr. Basugade and Dr. C. B. Pandit for the Preparations of NAAC

Venue: Zoology Laboratory

Date: 27/09/2018

Aims and Objectives:

1. To guide the faculty of this institute regarding the new guidelines by the NAAC
2. How to prepare the documentation of the Department as per the new guidelines by the NAC

Participants: All faculty, non-teaching staff, and students of the Department of Zoology.

Description:

Dr. C. B. Pandit was working as an Associate Professor in the Department of Economics and Dr. Basugade was working as an Associate Professor in the Department of Statistics at Gopal Krishna Gokhale College, Kolhapur, which is the mother institute of this institute from the management of Shikshan Prasarak Mandal, Kolhapur. As both were working as a member of IQAC of Gopal Krishna Gokhale College, Kolhapur, Management decided to guide us for the preparations of NAAC by the IQAC members of Gopal Krishna Gokhale College. Therefore both were visited this institute on 27th & 28th September 2018 and guided us. Meantime both were visited the Department of Zoology and interacted with students of the Zoology Department.

Outcomes:

In these two days, all the faculty members are oriented regarding the new guidelines. **Dr. Basugade** focused on “**Google Class Room**”. He demonstrates how to create a google class and how to operate it.

25. Name of the Event: Biodiversity Festival & Meet

Date: 11/11/2018

Venue: at Amboli, Tal: Sawantwadi, Dist: Sindhudurg.

Aims and Objectives:

1. To create awareness about Biodiversity.
2. 1. To create awareness about Biodiversity conservation.
3. To encourage the students to participate in such a versatile activity.

Description:

Vengurla and vicinity of Vengurla is with plenty of biodiversity. In another words Vengurla and its vicinity is with rich biodiversity. Therefore it the responsibility to save and conserve this biodiversity. Already in the syllabus of FY & SY B Sc some topics are included regarding biodiversity. But even though there is a need to go in the forests to get the practical knowledge. Therefor there is a need to go in the forests, to stay there, and to observe. For these residential camps required. And for such a camps registration fee for the participants is expensive. From 11th November to 13th November 2018, Such a residential camp was organized by the Consortium of Nature Conservation Society, Malabar Nature Conservation Club, Wild Konkan and Forest Department Sawantwadi. One of the my student Mr. Pritish Lad was sponsored by me by paying registration fees and he participated and successfully completed above said residential camp.

Certificate of participation

This is to certify that

Prithish Jitendra Lad

has participated in Biodiversity Festival and Meet organized by Consortium of Nature Conservators Society, Malabar Nature Conservation Club, Wild Konkan and Forest Department Sawantwadi held at Amboli from 11th to 13th November 2018.

29. Name of the Event: EXCURSION AT WAYANGANI, VENGURLA (*Olive ridley*)

Venue: at Br. Balasaheb Khardekar College Campus (In front of the Physics Department)

Aims and Objectives:

1. Board of Studies in Zoology of the University of Mumbai have suggested one excursion tour.
2. To orient the students regarding how to prepare an excursion report after an excursion.

Participants: All Students of FY & SY B Sc

Description:

Every year in the winter season females of *Olive ridley* came to Wayangani Seashore to lay the eggs. Actually, *Olive ridley* is a species that is included in IUCN Red Data Book and it is also covered under Indian Environmental Protection Act. In this case, the responsibility of local people and Zoologists increases. Because in the entire world there are only three spots where females of *Olive ridley* comes for egg laying. Out of which two spots are in India. One is in Maharashtra, along with the coastal line and the other one is at Gohirmata (Odisha). Some superstitious people use these sea turtles for black magic. Eggs can be eaten by dogs, Crows, kites, etc. In such case it becomes necessary to create awareness about *Olive ridley*. Because these sea turtles are one of the most significant components of marine esuary.

Outcomes:

Learners know the importance of *Olive ridley*. They don't become superstitious. They understand the importance in the marine ecosystem. They aware the local people regarding not to kill the eggs and young ones of *Olive ridley*.

30. Name of the Event: Flood Relief Fund

Date: 14.08.2019

Description:

In the rainy season of the year 2019, there was a huge rain in the state of Maharashtra. Almost every district was affected severely by flood. The impact of flood was more in Western Maharashtra. Number domestic animals, humans died in this flood. Transportation was under severe threat. People were not having any food material. Everything was washed off due to the flood. In this situation some NGO came forward to help them by distributing food packets. But for this they were having the problem of funds. "Jijamata Charitable Trust" is one of the trust came forward and appealed for the economical help. As a humanity I donated Rs.5,000/- to Charitable Trust to help Flood affected people.

31. Name of the Event: DONATION OF Rs. 10,000/-

Date: 09/09/ 2019

Venue: Sangli District Library

Aims and Objectives:

1. To help economically to purchase the new books for the library
2. To create awareness regarding the reading of versatile books from various branches.

Participants: All readers who came to the Sangli District Library

Description:

In 2019, almost every area of the state of the Maharashtra was affected by severe rain and flood especially the western Maharashtra. Due to the flood there was tremendous loss of life of humans, animals, buildings etc. **Sangli Jilha Nagarvachnalay (Sangli District Library)** was also affected severely. The entire library collapsed and every book was loosed in the flood. Therefore, one of my friends from Kansas, US Prof Udayan Apte (who is born and educated in Sangli up to his graduation) was trying to help to reinstate the library. And he requested to his all classmates and friends to donate as per the capacity to build library again.

34. Name of the Event: Science Literacy

Date: 2018

Venue: at Z P School Number:01 & 04, VENGURLA, Dist: Sindhudurg.

Name of the Head of the Event: Dr. V. M. Patole

Name of the Speaker: Mr. Pritish Lad, Miss Sahili Ninave, Miss. Neha Gawade

Number of the Participants: All Students of Std. 5th, 6th & 7th

Aims & Objectives:

1. To explore learner, surroundings, natural processes, phenomenon using senses viz. watching, touching, testing, smelling, hearing.
2. To pose questions and find answers through reflection, discussion, designing and performing appropriate activities, role plays, debates, use of ICT etc.
3. To record the observations during the activity, experiment, etc.
4. To analyse recorded data, interpret result and draw inference/make generalisations and share findings with peers and adults.
5. To exhibit creativity presenting novel ideas, new designs/patterns, improvisation, etc.

Desired Outcomes:

1. Learner identifies materials and organisms, (such as animal fibres; types of teeth; mirrors and lenses) on the basis of observable features, e.g. appearance, texture, functions, etc.
2. Learner classifies materials and organisms based on properties/characteristics, e.g. plant and animal fibres, physical and chemical changes.
3. Learner measures or calculate, e. g. temperature, pulse rate, speed of moving object, time period of a simple pendulum, etc.

4. Learner understands scientific concepts by using the instruments like microscope, centrifuge.
5. Learner explains the correlation between the measures of various physical quantities.

Description:

Experiments, activities are the soul of the subject Science. Therefore I decided to perform the activities and experiments for the Z P School and at high school level for the science literacy. As part of this first I trained my students regarding the activities and experiments from the books of Science of std. 5th , 6th and 7th standards. I select these classes because I thought that if a learner from his childhood is well oriented with basic concepts of the subject science then they will be curious about their experiment and results. Therefore every day from 2.30 pm onwards myself and my some B. Sc students had made an attempt to make them curious.

It is also found from unofficial survey that the learners who oriented by us at the above mentioned standards was having the basic idea regarding basic concepts, which later helped them at high school level to learn more complicated terms.

Thus this was a small attempt regarding the Science literacy.

35. Name of the Event: Student Seminar

Date: 20.07.2019

Venue: at the Zoology Laboratory

Name of the Head of the Event: Dr. V. M. Patole

Name of the Students: Miss. Shradha Tendulkar, Miss. Atnur, Miss. Bhakti, Miss. Tanvi Naik & Mr. Bhiva Sawant

Aims & Objectives:

3. By learning about new topics and meeting leaders in their field student feels encouraged and motivated.
4. Listening to any prominent personality in any seminar or workshop helps the student to gain information about their way of work or how things take place.

Desired Outcomes:

5. Attending a seminar has numerous benefits, including improving communication skills,
6. gaining expert knowledge,
7. networking with others and
8. renewing motivation and confidence.

Description:

All students were informed by oral discussion during the regular practical. Students were given choice to select the topic from Courses V, VII & VIII with Course Codes USZO301, USZO302 & USZO303. After selection of the topic, discussion with every student regarding his/her topic were carried out.

All the students were so excited about their experience regarding their seminar.

36. Donation of Sound System to School No.1

Date: 15.10.2019

Venue: Z P School No. 1

Objective:

15th October is the birthday of my daughter. Generally in the schools some Chocolates, snacks is distributed among the students of a school. But School's Headmistress requested that along with the Chocolates if you donate sound system then it will be helpful for entire school for upcoming number of years. School were getting problem whenever they were having cultural program in their school. Therefore donated "Takara Bluetooth Sound System" on the occasion of daughter's birthday.

37. Name of the Event: Thermal Gun Distribution

Date: 27.01.2021

Venue: at the Z P School No. 1 & Vengurla Highschool Vengurla.

Name of the Head of the Event: Dr. V. M. Patole

Name of the Students: Mr. Pritish lad & Miss. Sahili Ninave

Description:

The entire world was suffering from the Corona Pandemic Situation since 2020. In Maharashtra, from 17th March, 2020 all colleges and schools were shut down. Every sector was working from home by online mode. But when the Government start to reduce the rules of social distancing at that time use of Sanitizer, Oximeter and Thermal gun was made compulsory. keeping the record of temperature, oxygen level of the students were mandatory for every School, High schools and Colleges.

Therefore as a being of Assistant Professor in Zoology I felt that as I am teaching the hygienic practices at graduate level and personally I was practicing the use of Sanitizer, Oximeter and Thermal gun then why should not I think about the children of Primary School and High School. Therefore I selected one Primary School and other High School to donate. Accordingly I handed over the same to the headmasters.

38. Name of the Event: Educationally Adoption for Masters

Date: 2020 - 2022

Venue: ---

Name of the Head of the Event: Dr. V. M. Patole

Name of the Students: Mr. Pritish lad

Objective:

Mr. Pritish Lad was the hard worker, sincere and honest student. Main objective behind his support for his Masters education was to inspire other learners for the higher education like Master of Science in respective subjects.

Description:

Mr. Pritish Lad is the former student of **CZ group at S Y B Sc Level** of this college. At T Y B Sc level he opted Chemistry. After successfully completion of Program B. Sc in Chemistry, he was continuously guided for the entrance Examination of M. Sc. He got selected at one of the prestigious colleges of the University of Mumbai i.e., Institute of Science, Fort Mumbai.

I have promised him that I will look after his all-educational expenses if he required. I kept my word and I paid his educational expenses.

39. Name of the Event: Educationally Adoption of Girl Child

Venue: ---

Name of the Head of the Event: Dr. V. M. Patole

Name of the Students: Miss. Kajal Nikam & Miss. Jyoti Pingulkar

Objective:

1. To promote the Girl education

Description:

- **Miss. Kajal Nikam** was a girl student in this college at 11th, at MCVC Bifocal. She was belonging from Scheduled Tribe. Already in the Scheduled Tribe category drop out rate is very high. Percentage of education is also less. Therefore, due to not having adequate money for the education is the main cause behind the drop out. Therefore, I thought that due to poor economical conditions education of Miss. Kajal Nikam should not be stopped. By this intension I adopt Miss. Kajal Nikam since her 11th Standard up to BA.
- **Miss. Jyoti Pingulkar** is a student of **F Y B Sc (CBZ Group)** from the academic year 2022 - 2023. From one of the member of Examination Committee I cam to known that her mother has borrowed loan from "Mahila Bachat Gat" for her admission fees. Therefore I decided to adopt her educationally. In this adoption her all educational expenses will be carried out me up to her graduation and further education.
