### COLLEGE AT A GLANCE:

Shikshan Prasarak Mandal, Kolhapur is established in 1945 by the eminent scholar and parliamentarian Barrister Balasaheb Khardekar and great Sanskrit scholar, a visionary Shikshan Maharshi Prin. M. R. Desai. Shikshan Prasarak Mandal has received the prestigious '**Vanashri Award 2005**' of the Government of Maharashtra for contribution to socio-environmental issues and eco-friendly new scientific approaches. Presently **Prof. Jaykumar M. Desai** is looking after the management as a secretary of Shikshan Prasarak Mandal, Kolhapur. The institution runs high schools, junior and senior colleges in the rural areas of Maharashtra and Karnataka states.

Br. Balasaheb Khardekar College is pride of Vengurla, is located at the entrance of Vengurla city of Sindhudurg district. Educationally the district was backward even up to 1960's. The education attitude was under the mask of this backwardness. A noble talented youth of this

District had to migrate to Mumbai or Kolhapur for higher education. Lack of facility was the reason so far. To uplift the youth of this region socially and make them educated in real sense, Late Principal M.R. Desai and Late Br. Balasaheb Khardekar started a college in Vengurla in June 1961. Earlier the college was known as Vengurla College. After the last breath of Br. Balasaheb Khardekar this college renamed as “Br. Balasaheb Khardekar College, Vengurla”. It is committed to spread education for the welfare of the masses. Since its inception the institution is striving with uncompromising dedication to enhance the spread of education among downtrodden, deprived and the needy students from the rural and hilly area.

Br. Balasaheb Khardekar College is affiliated to University of Mumbai, Mumbai and is approved under section 2(f) and 12(b) of the University Grants Commission (UGC) act. At Science faculty, we have five different programs namely Physics, Chemistry, Mathematics, Botany and Zoology. From Arts Faculty, we have maximum 11 programs and from Commerce, there are Commerce and Accounting program. During this five year plan, we focused on the improvement in the field of research such as research publications, minor/major research projects. Also we focused on the different programs for the social development through NSS, NCC, DLLE, WDC etc. College organized national seminar, conferences and workshops to improve the performance of the college in the field of research. The college has eco-friendly campus with well-equipped Laboratories and other necessary amenities, spread over an area of 12 acres of land, in the vicinity of Vengurla town. The College is reaccredited with “B” grade by NAAC with CGPA 2.08 in 2015.
